Trolley & Sink Guide

Why Craven

Why choose Craven for your trolley solutions?

Contents

Craven trolleys are renowned for their stability and quality. All of our trolleys are fully welded preventing the need for self-assembly.

Buy British

Craven & Co. Ltd was founded in 1958 to fulfil the storage handling needs of the local community; we are proud of our British heritage and service our clients from our Yorkshire base.

Dedicated to product quality

At Craven we strive to offer the very best trolleys there are. To deliver on this we follow a continuous improvement programme, which means when you buy Craven, you buy quality every time.

It's quick and easy

We have an extensive number of products that can be dispatched quickly and hassle free so often your trolley solution can be with you within 3 to 5 working days.

Guarantee

When you buy Craven, you can buy with confidence. All Craven products carry a twelve month guarantee as standard, with an extended 3 year guarantee, when you register your details on our website. In addition we offer an extended lifetime guarantee on some products.

Registration of guarantee, available on our website
www.craven-solutions.com

*Delivery costs and times based on UK mainland only, from receipt of a confirmed order. Deliveries to Highlands, islands and some other postcodes may incur additional costs and may take longer to arrive. Deliveries to the UK mainland are free on order over £200 net (ex VAT). Orders less than this are charged at £20 + VAT.
